Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **Citywide Traffic System Upgrade Phase 2 project** in Fiscal Year 2023.

The entity to receive funding for this project is the City of Concord located at 1950 Parkside Drive, MS/51, Concord, California 94519.

The funding would be used to upgrade traffic signal equipment at 45 intersections citywide, implement a lead pedestrian interval, and upgrade approximately 50 curb ramps to current ADA standards.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mark DeSaulnier
Member of Congress
